The Change of As Object Lesson Offered by Ticket-Life

Is the most important period in a womethods of living, not one worman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms.

Those dreadful hot flashes, sending the blood surging to the heart until it seems ready to burst, and the faint feeling that follows, sometimes with chills, as if the heart were going to stop for good, are symptoms of a dan-

gerous, nervous trouble. Those hot flashes are just so many calls from ham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It builds up the weakened nervous

"I was a very sick woman, caused by Change of Life. I suffered with hot es, and fainting spells. I was afraid to go on the street, my head and back troubled me so. I was entirely cured by Lydia E. Window Ledges.

"Talk about money burning holes in people's pockets," remarked an obman's existence. Owing to wodern servant stranger the other day, "but here is a case of nickels burning holes in wood." He pointed to the front of the ticket seller's window on one of the L stations as he spoke. The woodwork was scooped out several inches deep where the intended passenger usually shoves in his fare, and the cav-

ity was twice as wide as it was deep. "That," said the observant man, "Is a more graphic illustration of what constancy will do than all the lessons ever taught by the dripping of water upon rocks. They used to tell us in school that a drop of water would wear away the greatest stone, but here we have a Beware of Ointments for Catarrh mute picture of what the constant shoving of coins in and out of that ticket seller's window has done. You will notice that the wood is worn out as smoothly and evenly as if it were done by the finest kind of tools in the hands of the finest kind of a carpenter. There isn't the faintest suspicion of a splinter there. Millions of nickels and dimes must have passed and repassed through that window and been shoved along that hardwood board, which was originally level and fiat as a street of asphalt, until they were that cavity

"I do not know that there is any particular way of shoving the money between ticket seller and purchaser, but there must be, because the cavity is nature for help. The nerves are crying out for assistance. The cry should be heeded in time. Lydia E. ANOTHER GERM DESTROYER.

Herpicide is Death to Dandruff Germs, The germ burrows into the scalp, throwing up the cuticle in thin scales, called dandruif ,or scurf, and digging at the root of the hair where it sapa the hair's vitality. First comes brittle hair, then lusterless and dead-like building fund, and I feel sure that I hair, then falling hair, and, finally also have your hearty co-operation, How baldness. Nine-tenths of the hair troubles are caused by dandruff. With-Mrs. Leader-Let me see. Oh, I am out dandruff, hair will grow luxurithe only member who has a carriage, I antly, as nature intended. "Herpicide" kills the dandruff germ leaving the hair to grow unhampered, as it does with

the American red man.

Reeping Vegetables. Vegetables should never be put into the cellar, as many of them contain acids which will absorb the poison of the ground air, and if eaten will prove very unhealthy, and if allowed to remain will rapidly decompose and fill the air which arises to the upper rooms with a poison that will undoubtedly cause much mischief. Potatoes should not be exposed to the sun, but kept in some dry place where the light and air can always strike them.

FITS Fermanently Cured. No fits or nervousness after first day's use of Dr. Kline's Great Nervo Restorer. Send for FEEE 32.00 trial bottle and treaties. Dr. R. H. Kling, Ltd., vol Arch St., Philadelphia, Pa.

Peculiarittes of Footpaths. Footpaths are what roads are not natural productions, just as the paths made by hares, deer and elephants are. No one really makes a footpath-that

is, no one improves it. What is true of central Africa is true of England. "The native paths," wrote Professor Drummond, "are the same in character all over Africa. Like the roads of the old Romans, they run straight on In some instances these signs remain ness to catch cold and inability to through everything-ridge and mounget rid of it easily, paleness, ner- tain and valiey-never shying at obstacles nor anywhere turning aside to breathe. Yet within this general straightforwardness there is a singu-

> pards of it are ever straight. And the reason is not far to seek. "If a stone is encountered, no nalive will ever think of removing it. Why should he? It is easier to walk hundred men are following him. A Neglected Apple. Mrs. Benham-You used to say that I was the apple of your eye. Benham-Well, what of it?

Mrs. Benham-Nothing, except that you don't seem to care as much for fruit as you once did.

Thrown From His Cab and Killed

The following is a most interestng and, in one respect, pathetic tale: Mr. J. Pope, 42 Ferrar Road, Streatiam, England, said:

Yes, poor chap, he is gone, deadiorse bolted, thrown off his seat on his cab he was driving and killedpoor chap, and a good sort too, mate. t was him, you see, who gave me that half bottle of St. Jacob's OH that made a new man of me. Twas like this: me and Bowman were great friends. Some gentleman had given im a bottle of St. Jacob's Oil which and done him a lot of good; he only ised half the bottle, and rememberng that I had been a martyr to rhennausm and sciatica for years, that is, on the whole, a bee line, no fifty had literally , ried everything, had octors, and all without benefit I beame discouraged, and looked upon it hat there was no help for me. "Well." said Pope, "You may not believe me. or it is a miracle, but before I had used the contents of the half bottle of St. Jacob's Oll which poor Bownfan ave me, I was a well man. There is, you see, after years of pain, for using remedies, o is, en men ixa. orse liniments, and spent money on octors without getting any better. I was completely cured in a few days bought another bottle, thinking the pain might come back, but it did not, o I gave the bottle away to a friend have passed that stone, and it still who had a lame back. I can't speak waits for a man with an altruistic too highly of this wonderful main-

THE MAIDEN OF THE SMILE.

In that fair hand where slope and plain Shine back to sun and sky And olives shield the sprouting grain When wintry arrows tly,

Where snow fed streams week sun vale. Through vineyard scarped defile, The world we enter with a wail

She greeted with a smile. Simplering she smiled and smiller woke And when she felt the smart

Of grave, sad life smiles still bespoke Her tenderness of heart, And nightly when she knelt and prayed Beside her snow white bed Her face was one pure smile that made A heaven about her head.

When love first trembled in her ear The heart throbs that beguile, She listened with assenting tear, Then chused it with a smile. Sorrow and pain with smiles she born Unto her latest breath, But the sweetest smile she ever wors

Was the smile she wore in death.

blood. When this escapes through the pores of the skin, as it often does, it produces some form of skin eruption—some itching disease like Eczema or Tetter—but when these little tubes or sweat glands are suddenly closed by exposure to cold and sudden chilling of the body, then the poisons thrown off by the blood, finding no outlet, settle in membranes, muscles, tissues and nerves. These parts become greatly inflamed, feverish and hot; dagger-like, maddening pains follow in quick succession, the muscle extremely tender, the nerves break down and the sufferer is soon reduced to state of helplessness and misery. This acid poison penetrates the joints and seems to dry out the natural oils, and the legs, arms and fingers become so stiff at

Liniments, plasters, electricity and baths, while their use may give temporary ease, cannot be called cures, for the disease returns with every change of the wea "Three years ago I had a severe attack of | working a complete change in grippe, which left me almost a physical | the blood; the acids are neutral la grippe, which left me almost a physical wreck. To add to my wretched condition, a severe form of Rheumatism developed. I tried all the physicians in our city, but none of them could do me any permanent good. I used all the rheumatic cures I could hear of, but received no benefit. After beginning S. S. S. I was relieved of the pains and have gained in flesh and strength and my general health

is better than for years. I consider S. S. S. the grandest blood medicine in the world,

that every movement is attended with excruciating pains.

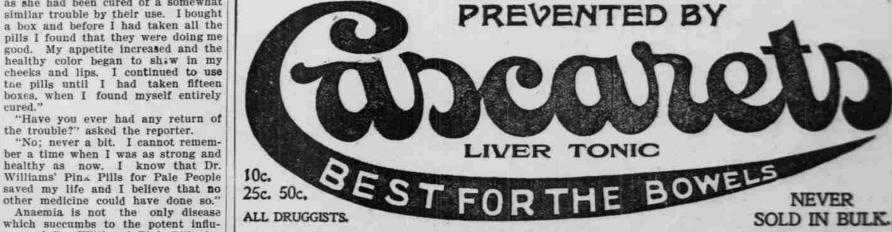

S. S. S. cures Rheumatism by ized, the circulation purified and the rich, healthy blood that is carried to the irritated, achi muscles and joints, soothes and heals them. S. S. S. cures Rheumatism even when inherited or brought on by the excessive use of mercury. Opium, in some form, is the basis of nearly all and heartily recommend it to any one seek-ing relief from the tortures of Rheumatism. B. F. GREGORY, Union, S. C." so-called Rheumatic Cures, which deaden the pain but do not touch the disease and lead

to ruinous habits. Alkalies and the potash and mineral remedies so often pre-scribed, affect the tender lining of the stomach and weaken the digestion, thus adding another burden to the already weak and impoverished blood. S. S. S. contains no mineral or dangerous drug of any kind, but is a simple, vegetable remedy and the most perfect blood purifier known. Send for our book on Rhesmatism and write our physicians if you wish any information or advice. We would be glad to mail you a book free; we charge nothing whatever for medical advice. THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

CONSTIPATED

Means misery on the eve of life. Nine out of ten old people are constipated because the muscles of their intestines have become weak, worn out and flabby. Constipation is the curse of old age, causes bile and acid poisons to remain in the blood, making the skin yellow and wrinkled, the eyes bleary and causing the "bones to ache." Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with CASCARETS CANDY CATHARTIC, the greatest bowel tonic ever heard of. Try them to-day-a 50c box-a whole month's treatment-and find that the tortures of constipated old age are

all bowel troubles, appendicitis, bilfourness, bad breath, bad blood, wind
on the stomach, bloated bowels, four
mouth, headache, indigestion, pimples,
pains after eating, liver trouble, sallow complexion
and dizziness. When your bowels don't move regularly you are getting sick. Constipation kills more
people than all other diseases together. It is a
starter for the chronic aliments and long years of
suffering that come afterwards. No matter what
alls you, start taking CASCABETS to-day, for you
will never get well and be well all the time until
you put your bowels right. Take our advice; start
with CASCABETS to-day, under an absolute guarantee to cure or money refunded.
